

A full-page photograph of a wedding couple in a grand hall. The bride is wearing a long, white, strapless gown with a long train, and the groom is wearing a black tuxedo with a white shirt and a black bow tie. They are standing in the center of the hall, facing each other and holding hands. The hall is decorated with large, white, draped curtains that hang from the ceiling, creating a series of arches. The floor is made of large, light-colored tiles with a geometric pattern. In the background, there are more tables and chairs, and the lighting is warm and soft.
